

Debit/Credit **4** Auto-Pay

WIPCO has introduced a **free** auto-pay service for monthly energy bills. This innovative feature brings utmost convenience and peace of mind to WIPCO members, eliminating the need for manual bill payments and ensuring timely transactions. By enrolling in autopay, members can bid farewell to the worry of missed due dates or late payments. With the automated process, WIPCO securely deducts the monthly energy bill directly from members' designated debit or credit card, saving them the hassle of remembering to pay or dealing with paper bills. Members will still receive their monthly statement by mail or email. Find the autopay form on our website, www.wipco.com.

This institution is an equal opportunity provider.

5 by Mail

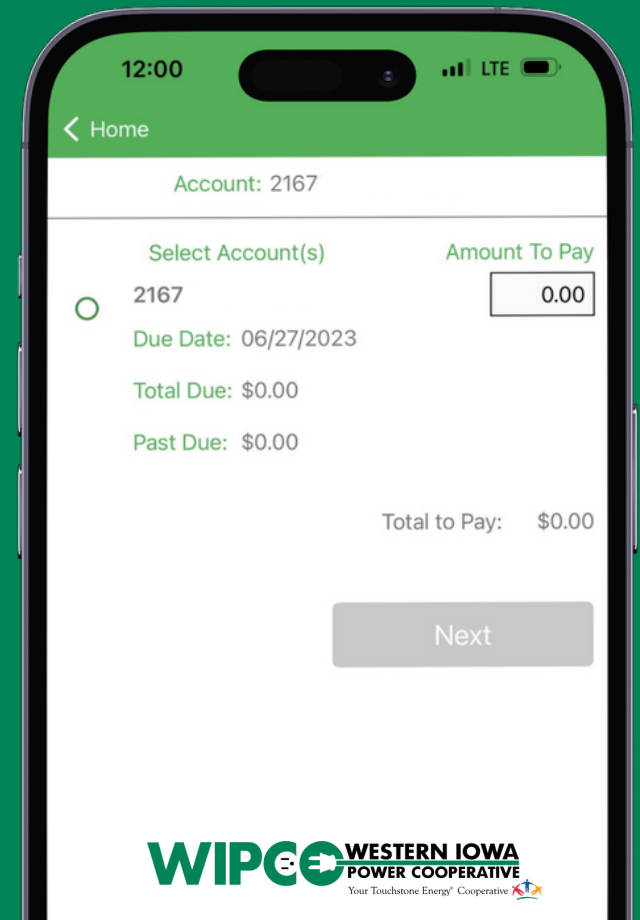

At Western Iowa Power Cooperative, we understand that everyone has their preferred method of bill payment. That is why we are excited to inform you that we gladly accept mailed bill payments!

Just grab your WIPCO bill, prepare your payment, place the payment and upper portion of your bill in the envelope, add postage, and drop it in the mail!

6 in Person

Members of WIPCO have the convenience of making in-person bill payments at any WIPCO location, allowing them to easily stop by and settle their bills in person, ensuring a hassle-free and personalized payment experience. There are drop box locations at each WIPCO office for after hours payments.

6 ways to pay your energy bill

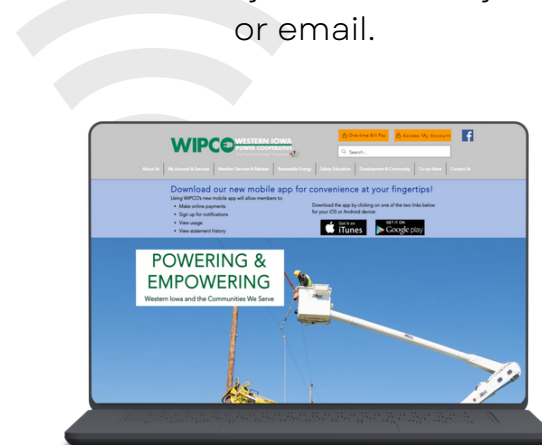

Bank **1** **Auto-Pay**

WIPCO members have the flexibility to conveniently set up an Automated Clearing House (ACH) payment method to seamlessly pay their energy bills. Like all payment methods, this is **free** to use for all members. By establishing an ACH, members can automate their bill payments, ensuring timely and hassle-free transactions while enjoying the convenience of having their energy bills paid automatically from their designated bank accounts. Members will still receive their monthly statement by mail or email.

Visit a WIPCO location to fill out the ACH form in person or fill out the form on our website www.wipco.com, allowing for a seamless and secure way to pay your bills electronically.

2 **Online**

WIPCO members enjoy the convenience of paying their energy bills for **no cost** directly on the WIPCO website. By accessing their secure online account, members can easily navigate to the billing section and make payments electronically, providing a quick and user-friendly way to manage their energy expenses from the comfort of their own homes. Members will still receive their monthly statement by mail or email.

3 **App**

WIPCO members can conveniently pay their energy bills using the **free** WIPCO mobile app. With just a few taps on their smartphones, members can securely and easily manage their payments, ensuring a hassle-free experience from the comfort of their own homes or while on the go. Members will still receive their monthly statement by mail or email.
